

Beit Ahavah Community & Friends,

*Because we like our synagogue sweet and our honey local*, we are again offering local honey in time for the High Holydays! Sale of honey, produced right here in Florence at Godard’s Red Hen Farm, is a fund raiser for us and a great way to usher in the new year with apples and Beit Ahavah honey. We hope that you will consider purchasing some not just for you and your family, but to give as gifts. You might even take on some extra jars and do the selling yourself. You can also store up with this delicious honey for the year ahead.

Each 8-ounce glass jar will be adorned with a Beit Ahavah label and is offered at a price of \$10.00.

We will have some additional jars available for sale during the High Holyday season, but to ensure your supply, please let us know the quantity of jars you will be purchasing by **September 19**.

**Please respond with your name, contact info and number of jars you would like to:**
